All Parents welcome to attend.

Providing
ACCESSIBLE
EFFECTIVE and
EFFICIENT
programs and
services for
students.

Student Achievement ...

AR RECORD BROKEN! By Alexa G.

Accelerated Reader (AR) was started in 2013, 6 years ago. The previous goal of 250 points was met by a former student, who is now in grade 12. This has been the highest personal AR goal ever, until Monday March 25, 2019! On this very day, a grade 7 student broke the record.

Let's celebrate the achievement of Triston J as he reached a goal of 260, beating the former record by 10 points!

Triston commented, "I feel happy that I beat the record and I will keep going."

"I always knew Triston was the best reader, and when I'm looking for books, I can go to him." added his friend.

We at HEB are extremely excited to see Triston's future successes, as he aims for **520 points!**

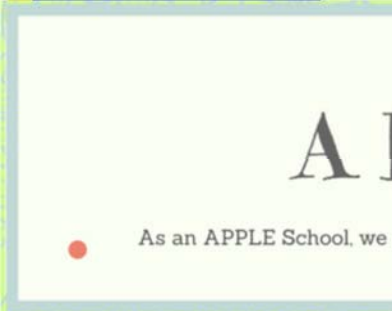

HEB CHOP CHALLENGE By Areebah A.

On Tuesday April 2nd, the grade 7/8 baking exploratory taught by Ms. Shankowski participated in a chop challenge! Each team was given three ingredients that somehow must be combined into their baked dish. They were given an hour to prep, bake and present.

Being judged on time management, cleaning up, the visual aesthetic and the taste, each team did a fabulous job! The students prepared such wonderful dishes, some being brownies, cupcakes, a unique dish inside an apple and others. The winning group of the chop challenge was announced the next day in the morning announcements and it was the group who made vanilla cupcakes with a delicious blueberry frosting!

*Demonstrating the
knowledge, skills and
attitudes necessary
for lifelong learning.*
