

H.E.B. Gift School Council/Foundation Card Fundraiser

It's time to raise funds for celebrations for all our amazing HEB students reaching their Accelerated Reading goals! It's also time to recognize the amazing staff who is going above and beyond especially in these uncertain times.

As with everything these days our gift card fundraiser has to be done a bit differently. We will ONLY have School Cash Online as a method to order the gift cards and pay for them. DO NOT SEND FORMS &/OR MONEY to the school. You will have to go into your child's account and pick the local business or businesses you would like to support and pay at the time of ordering. You will be able to order from each business as many times as you like and we will still provide a printable order form that you will be able to fill with friends or family names or take to work if you choose. The difference however, is that your friends, family, co-workers, etc will have to pay you directly and you will then pay the full amount on School Cash Online through your child's account.

We are very excited to partner up with Tim Horton's, Hamel's, Core Juice Co., and Elegance 719!!!!

We will be opening up School Cash Online on **Thursday, November 12th** and you will be able to order gift cards until **Wednesday, November 25th.** *please stay outside of the front entrance when picking up cards-we will bring them to you.

We will then hand out the gift cards to parents only (unfortunately we cannot give cards to students) and then the parent will be responsible to get the cards to all the amazing people who ordered gift cards to support the school.
